WITH TAS South – Hats and High Tea

On Sunday 23rd February, WITH Tas South held their first event Hats and High Tea at Hadleys Hotel, Hobart, recently under new management.

The ladies dressed up, sporting their finest hats on a sunny Sunday afternoon, with a glass of bubbles to set the mood. The event was also an opportunity for us to conduct an extraordinary general meeting to gain financial member support in agreeing to the change some necessary changes to our constitution. In addition, all agreed and confirmed our name change to

Women in Tourism and Hospitality Tasmania.

We also had the pleasure of hearing about Hobart Walks and Christine Scott's journey to and in Hobart!
